Requirements:

- Strong organizational, verbal, interpersonal, and time-management skills are required.
- Ability to use and read a standard tape measure is required.
- Ability to read and understand blueprints and shop drawings is preferred.
- Heavy construction experience is preferred.
- High school diploma or GED is preferred.

Duties and Responsibilities:

- Use shop drawings and blueprints to determine dimensional specifications, setup requirements, and work procedure.
- Install workpiece holders such as blocks, risers, or clamps onto production material.
- Load, unload, or relocate material and product as necessary.
- Set up and prepare production pieces for drilling, assembly, or additional fabrication.
- Make manual adjustments such as aligning work pieces or machinery to given specifications.
- Ensure all material is stored or rigged for movement in accordance with established safety policies.
- Track, record, and locate material by assigned identification markings.
- Clean and organize work areas.

DeLong's, Inc. offers a competitive salary based on education and experience and a competitive benefits package, including health insurance, paid time off, and a profit sharing and pension plan. Applications will be accepted until the position is filled, but interested candidates are encouraged to apply August 28, 2020.
