

WEBSITE POSTING:

CNC Machine Operator

DeLong's, Inc. is a steel fabricator that produces steel bridges and miscellaneous bridge components for the transportation industry and structural steel for the building industry. The company, founded in 1944, has approximately 190 employees at its locations in Jefferson City and Sedalia, Missouri. We are seeking applicants for a full-time Computer Numeric Controlled (CNC) Machine Operator at our Jefferson City location. All qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

Requirements:

- Strong organizational, verbal, interpersonal, and time-management skills are required.
- Strong problem-solving and spatial perception skills are required.
- Ability to use and read a standard tape measure is required.
- Cutting torch experience is preferred.
- CNC Machine operation experience is preferred.
- High school diploma or GED is preferred.

Duties and Responsibilities:

- Read and interpret cut sheets to select correct raw material of plate steel and execute correct cuts.
- Use overhead crane to safely maneuver material and load onto the machine.
- Safely and accurately use acetylene cutting torches to perform both manual and machine guided cuts in material.
- Select correct cutting program and utilize CNC equipment to execute machine guided cuts.
- Use problem-solving and spatial perception skills to ensure necessary pieces are accurately cut from original plate.
- Stack, mark, and identify pieces and raw material based on internal inventory system.

DeLong's, Inc. offers a competitive salary based on education and experience and a competitive benefits package, including health insurance, paid time off, and a profit sharing and pension plan. The position will remain open until filled, but interested candidates are encouraged to apply by December 18, 2020. Applications may be found on our website, www.delongsinc.com/careers, or at our office. If you are interested in working for a well-established company, please send your resume and completed application to:
