WEBSITE POSTING:

Material Handler

DeLong's, Inc. is a steel fabricator that produces steel bridges and miscellaneous bridge components for the transportation industry and structural steel for the building industry. The company, founded in 1944, has approximately 190 employees at its locations in Jefferson City and Sedalia, Missouri. We are seeking applicants for a full-time Material Handler at our Jefferson City location. All qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

Requirements:
- Strong organizational, verbal, interpersonal, and time-management skills are required.
- Ability to use and read a standard tape measure is required.
- Ability to read and understand blueprints and shop drawings is preferred.
- Heavy equipment experience is preferred, including overhead crane and fork truck.
- High school diploma or GED is preferred.

Duties and Responsibilities:
- Read work order or follow instructions to ascertain materials to be moved.
- Load, unload, or relocate material and product as necessary.
- Convey material between storage and designated production areas.
- Ensure all material is stored or rigged for movement in accordance with established safety policies.
- Track, record, and locate material by assigned identification markings.
- Clean and organize storage areas.

DeLong's, Inc. offers a competitive salary based on education and experience and a competitive benefits package, including health insurance, paid time off, and a profit sharing and pension plan. The position will remain open until filled, but interested candidates are encouraged to apply by December 18, 2020. If you are interested in working for a well-established company, please send your resume and completed application to:
